

## Accreditation, Audit & Valuation Service

NBHC Mandate provides complete solutions to review and improve the ability to implement corrective and preventive action plans for superior commodity risk management, and helps achieve consistent results with established objectives and goals.

IDENTIFY	SOLUTION	MITIGATION
Storage Worthiness	Inspection & Assessment Audit Surveillance Training Accreditation & Valuation	Reduce Risk & Waste
Regulatory Violation		Regulatory Compliance
Asset Profile		Secure Asset Portfolio
Fraud & Misconduct		Operational Integrity
Operational Gap		Operational Standards
Knowledge Gap		Skilled Staff

NBHC Mandate's superintendents / auditors review warehousing operations, internal controls for capability of documentation, compliance to documented procedures, effectiveness of procedures to control the risks associated with commodities, and ascertain the effectiveness of results to NBHC's benchmarks or accredited norms.

With its domain expertise and experience, NBHC Mandate enables accreditation of warehouses/cold storages and valuation of commodities. It also appraises the ways and means by which resources need to be deployed to achieve economy and efficiency.

### AUDITS OF THE FOLLOWING ARE CONDUCTED UNDER NBHC MANDATE:
